

Blooms 3D

AQF ALIGNED VERBS

AQF Level	Shared <i>Applies across all domains</i>	Cognitive <i>Thinking · Knowing · Reasoning</i>	Affective <i>Feeling · Valuing · Relating</i>	Operative <i>Doing · Making · Performing</i>
AQF 4 Certificate IV	identify, label, listen, locate, name, notice, observe, recall, recite, recognise, record, reproduce, retrieve, select, visualise	choose, copy, define, describe, duplicate, enumerate, list, match, memorise, quote, state, tabulate, tell	acknowledge, attend, aware, concern, experience, follow, open, receive, respect, tolerate, welcome, withhold	align, detect, focus, hear, orient, perceive, position, sense, track, tune
Undergraduate				
AQF 5 Diploma	associate, clarify, classify, describe, discuss, explain, group, identify, illustrate, indicate, interpret, label, listen, locate, match, name, notice, observe, outline, paraphrase, recall, recite, recognise, reconstruct, record, relate, report, represent, reproduce, research, restate, retrieve, roleplay, select, show, summarise, visualise	choose, cite, convert, copy, define, describe, duplicate, enumerate, estimate, extend, generalise, infer, judge, list, match, memorise, order, quote, reason, rephrase, rewrite, state, tabulate, tell, trace, transform	acknowledge, ask, attend, attribute, aware, comply, concern, engage, experience, explore, express, follow, hear, open, participate, practice, question, react, receive, reply, respect, respond, share, tolerate, welcome, withhold, wonder	align, approximate, attempt, calibrate, check, copy, detect, distinguish, exhibit, focus, follow, handle, hear, hold, imitate, mimic, orient, perceive, position, prepare, replicate, sense, track, try, tune
AQF 6 Adv. Diploma / Associate Degree	act, administer, annotate, apply, associate, build, carry, chart, clarify, classify, collect, complete, construct, demonstrate, describe, discern, discuss, document, employ, execute, experiment, explain, group, illustrate, indicate, interpret, interview, introduce, manipulate, map, match, operate, organise, outline, paint, paraphrase, plan, practise, produce, quantify, reconstruct, relate, report, represent, research, restate, roleplay, show, sketch, summarise, teach, translate, troubleshoot, use, utilise	adapt, articulate, calculate, cite, convert, determine, establish, estimate, exemplify, extend, generalise, infer, judge, order, predict, prepare, reason, rephrase, rewrite, schedule, solve, trace, transfer, transform, write	accept, adopt, appreciate, ask, attribute, commit, comply, connect, defend, dramatise, empathise, engage, explore, express, hear, invest, justify, participate, practice, prioritise, question, react, reply, respond, seek, share, simulate, value, wonder	adjust, approximate, assemble, attempt, calibrate, check, copy, differentiate, distinguish, exhibit, follow, form, handle, hold, imitate, make, measure, mimic, monitor, perform, practice, prepare, refine, rehearse, repeat, replicate, sequence, simulate, time, try
AQF 7 Bachelor Degree	act, administer, analyse, annotate, apply, build, carry, categorise, chart, collect, complete, connect, construct, contrast, cooperate, correlate, corroborate, debrief, deduce, demonstrate, devise, diagram, differentiate, discern, discriminate, dissect, distinguish, divide, document, employ, engineer, examine, execute, experiment, focus, implement, infer, inspect, interview, introduce, investigate, manage, manipulate, map, operate, order, organise, paint, perform, plan, practise, prioritise, produce, propose, quantify, question, reason, reflect, separate, sketch, storyboard, survey, teach, test, translate, troubleshoot, use, utilise	adapt, appraise, articulate, break down, calculate, compute, conceptualise, debate, deconstruct, deliberate, determine, establish, estimate, exemplify, inquire, predict, prepare, schedule, simplify, solve, subdivide, transfer, write	accept, address, adopt, advise, appreciate, arrange, balance, broker, challenge, commit, conduct, connect, contribute, defend, dramatise, elicit, empathise, encourage, facilitate, initiate, integrate, invest, justify, mediate, navigate, negotiate, prioritise, read, reconcile, resolve, seek, simulate, value, weigh	adapt, address, adjust, adopt, assemble, attribute, combine, coordinate, customise, develop, differentiate, exemplify, form, incorporate, make, measure, modify, monitor, perform, practice, refine, rehearse, repeat, replicate, sequence, simulate, sustain, systematise, time

Blooms 3D

AQF ALIGNED VERBS

Postgraduate				
AQF 8 Honours / Graduate Certificate / Graduate Diploma	analyse, appraise, argue, assess, categorise, compare, conclude, connect, consult, contextualise, contrast, convince, cooperate, correlate, corroborate, critique, debrief, decide, decode, deconstruct, deduce, defend, derive, determine, devise, diagram, differentiate, discriminate, dispute, dissect, distinguish, divide, engineer, estimate, evaluate, examine, extrapolate, focus, forecast, guide, implement, infer, inspect, interrogate, investigate, judge, justify, manage, measure, order, perform, persuade, predict, prescribe, present, prioritise, propose, qualify, question, reason, recommend, refine, reflect, resolve, review, separate, storyboard, support, survey, test, verify, weigh	appraise, authenticate, break down, compute, conceptualise, consider, criticise, cross-examine, debate, deconstruct, deliberate, disprove, estimate, grade, hypothesise, influence, inquire, perceive, prove, rank, rate, reframe, score, simplify, subdivide, substantiate, validate	address, advise, advocate, arrange, balance, behave, broker, campaign, challenge, conduct, contribute, elicit, embody, encourage, exemplify, exhibit, facilitate, foster, initiate, integrate, mediate, model, modify, navigate, negotiate, promote, read, reconcile, resist, resolve, uphold, urge, weigh	adapt, address, adopt, attribute, coach, combine, conduct, coordinate, customise, develop, direct, exemplify, express, extend, fashion, improvise, incorporate, integrate, master, mentor, modify, oversee, supervise, sustain, systematise
AQF 9 Masters Degree	abstract, adapt, appraise, argue, arrange, assess, author, challenge, collaborate, combine, commentate, compare, compose, conclude, consult, contextualise, convince, create, critique, decide, decode, deconstruct, defend, derive, design, determine, develop, diagnose, dispute, elaborate, estimate, evaluate, extrapolate, facilitate, forecast, formulate, generate, guide, imagine, improve, innovate, instruct, integrate, interrogate, intervene, invent, judge, justify, make, measure, model, modify, negotiate, optimise, originate, persuade, predict, prepare, prescribe, present, provoke, qualify, rationalise, recommend, refine, resolve, review, revise, simulate, solve, strategise, structure, support, theorise, validate, verify, weigh	anticipate, assemble, authenticate, compile, conceive, consider, criticise, cross-examine, disprove, distil, express, grade, hypothesise, influence, perceive, posit, postulate, prove, rank, rate, rearrange, reframe, reorganise, report, score, speculate, substantiate, substitute, validate	advance, advocate, arbitrate, behave, campaign, champion, cultivate, effect, embody, enable, engender, exemplify, exhibit, foster, further, govern, influence, inspire, lead, model, modify, motivate, pioneer, press, promote, regulate, resist, shape, steer, steward, transform, uphold, urge	choreograph, coach, conduct, contribute, curate, direct, express, extend, fabricate, fashion, improvise, integrate, lead, manufacture, master, mentor, oversee, pilot, pioneer, redefine, supervise, synthesise, teach, train
AQF 10 Doctoral Degree	abstract, adapt, arrange, author, challenge, collaborate, combine, commentate, compose, create, design, develop, diagnose, elaborate, facilitate, formulate, generate, imagine, improve, innovate, instruct, integrate, intervene, invent, make, model, modify, negotiate, optimise, originate, prepare, provoke, rationalise, revise, simulate, solve, strategise, structure, theorise, validate	anticipate, assemble, compile, conceive, distil, express, posit, postulate, rearrange, reorganise, report, speculate, substitute	advance, arbitrate, champion, cultivate, effect, enable, engender, further, govern, influence, inspire, lead, motivate, pioneer, press, regulate, shape, steer, steward, transform	choreograph, contribute, curate, fabricate, lead, manufacture, pilot, pioneer, redefine, synthesise, teach, train
