VERB LISTS

Dimension	Shared <i>Applies across all domains</i>	Cognitive <i>Thinking · Knowing · Reasoning</i>	Affective <i>Feeling · Valuing · Relating</i>	Operative <i>Doing · Making · Performing</i>
Perceptual <i>The learner notices, attends and begins to name – inwardly, emotionally and sensorially.</i>	identify, label, listen, locate, name, notice, observe, recognise, recall, recite, record, reproduce, retrieve, select, visualise	Remembering choose, copy, define, describe, duplicate, enumerate, list, match, memorise, quote, state, tabulate, tell,	Receiving attend, acknowledge, aware, concern, experience, follow, open, receive, respect, tolerate, welcome, withhold	Perceiving align, detect, focus, hear, orient, perceive, position, sense, track, tune
Conceptual <i>The learner begins to make meaning – interpreting information, reacting to experience, and readying for action.</i>	associate, clarify, classify, describe, discuss, explain, group, illustrate, indicate, interpret, match, outline, paraphrase, reconstruct, relate, report, represent, research, restate, roleplay, show, summarise	Understanding cite, convert, estimate, extend, generalise, infer, judge, order, reason, rephrase, rewrite, trace, transform	Responding ask, attribute, comply, engage, express, explore, hear, participate, practice, question, react, reply, respond, share, wonder	Preparing approximate, attempt, calibrate, check, copy, distinguish, exhibit, follow, handle, hold, imitate, mimic, prepare, replicate, try
Contextual <i>The learner puts knowledge and skill to work – applying procedures, committing to values, and reproducing actions with growing confidence.</i>	act, administer, annotate, apply, build, carry, chart, collect, complete, construct, demonstrate, discern, document, employ, execute, experiment, interview, introduce, map, manipulate, operate, organise, paint, plan, practise, produce, quantify, sketch, teach, translate, troubleshoot, use, utilise	Applying adapt, articulate, calculate, determine, establish, exemplify, predict, prepare, schedule, solve, transfer, write	Valuing accept, adopt, appreciate, commit, connect, defend, dramatise, empathise, invest, justify, prioritise, seek, simulate, value	Imitating adjust, assemble, differentiate, form, make, measure, monitor, perform, practice, refine, rehearse, repeat, replicate, sequence, simulate, time
Practical <i>The learner examines structure and relationships – breaking things apart, ordering values, and developing consistent practice</i>	analyse, categorise, connect, contrast, cooperate, correlate, corroborate, debrief, deduce, diagram, differentiate, discriminate, dissect, distinguish, divide, devise, engineer, examine, focus, implement, infer, inspect, investigate, manage, order, perform, prioritise, propose, question, reason, reflect, separate, storyboard, survey, test	Analysing appraise, break down, compute, conceptualise, deconstruct, debate, deliberate, estimate, inquire, simplify, subdivide	Organising address, advise, arrange, balance, broker, challenge, conduct, contribute, elicit, encourage, facilitate, initiate, integrate, mediate, navigate, negotiate, read, reconcile, resolve, weigh	Practising adapt, adopt, address, attribute, combine, coordinate, customise, develop, exemplify, incorporate, modify, sustain, systematise
Critical <i>The learner applies criteria and judgment – assessing quality, living consistently by values, and executing with fluent mastery</i>	appraise, argue, assess, compare, conclude, consult, contextualise, convince, critique, decide, decode, deconstruct, defend, derive, determine, dispute, estimate, evaluate, extrapolate, forecast, guide, interrogate, judge, justify, measure, persuade, predict, prescribe, present, qualify, recommend, refine, resolve, review, support, verify, weigh	Evaluating authenticate, consider, criticise, cross-examine, disprove, grade, hypothesise, influence, perceive, prove, rank, rate, reframe, score, substantiate, validate	Characterising advocate, behave, campaign, embody, exemplify, exhibit, foster, model, modify, promote, resist, uphold, urge	Performing coach, conduct, direct, express, extend, fashion, improvise, integrate, master, mentor, oversee, supervise
Original <i>The learner generates something new – original thought, authentic voice, and novel technique – that reaches outward into the world</i>	abstract, adapt, arrange, author, challenge, collaborate, combine, commentate, compose, create, design, develop, diagnose, elaborate, facilitate, formulate, generate, imagine, innovate, integrate, invent, improve, instruct, intervene, make, model, modify, negotiate, optimise, originate, prepare, provoke, rationalise, revise, simulate, solve, strategise, structure, theorise, validate	Creating anticipate, assemble, compile, conceive, distil, express, posit, postulate, rearrange, reorganise, report, speculate, substitute	Advocating advance, arbitrate, champion, cultivate, effect, enable, engender, further, govern, influence, inspire, lead, motivate, pioneer, press, regulate, shape, steer, steward, transform	Originating choreograph, contribute, curate, fabricate, lead, manufacture, pilot, pioneer, redefine, synthesise, teach, train
